FOR Miss Malaysia World Adeline Choo, pursuing her studies as well as carrying out duties that come with the beauty title are something that she enjoys.

"I am learning a lot by meeting different people from different backgrounds," said Choo.

The final year Public Relations student said after a busy period she would normally head to a favourite restaurant to unwind over some good food.

Although there are many restaurants in the city that appeal to her, she favours Relish.

"The place is nice and comfortable and I can relax while enjoying my food," said the beauty queen from Pontian, Johor.

Yummy: Choo enjoying some of the food served at Relish.

Choo, 24, who once worked as a part-time waitress, is not really into meat but opts for beef when possible.

"I love the gourmet burgers here, especially the BBQ beef and Portobello burgers. The bread used tastes different and goes well with the meat patties," she said.

During her recent visit to the restaurant, she tried a few recommended cocktail drinks like Relish Special, Lychee Martini and the Real Cosmopolitan.

The Relish Special appealed to her. It is made of Rum, Strawberry Daiquiri, Sugar Syrup and comes topped with chocolate stars.

Choo also tried the Pasta al Salmone and Mezze, which is grilled pita bread that comes with three different dips like houmous, imam biyaldi (aubergine and tomato) and tapenade.
